

Q: Who can have a sports poster made?

If I took pictures of your athlete anytime this school year, you can have one made! If you would like me to do one and I haven't seen your athlete in action, just let me know and I can swing by and get some shots and make yours as well.

Q: What is a sports poster?

It's a collage of your athletes photos from a season of their sport.

Q: What does it look like?

Traditionally, 16' x 24' looks best for a sports poster since the pictures are traditionally 4' x 6' or 5' x 7'. Check out the April 14th post on Facebook for additional renderings.

Q: What are sports posters traditionally used for?

Many parents order a poster after each of their athletes' sports seasons. This becomes a great memory for the athlete throughout their grade school and high school years. Many athletes showcase them at their graduation parties. In addition, many children choose to bring them along with them to college and hang them in their dorm rooms.

Q: Can I choose the photos used in the collage?

Yes, most definitely. You can include the photos you would like in your favorites tab and then share your favorites with me so I can make sure they are included! If you don't want to choose the photos, that's a-okay as well. I can always choose them! Whatever works easiest for you!

Q: How will this be printed and delivered?

I will order the poster from Mpix labs or Canvas OnDemand and let you know when it is ready for pick up or drop off. I traditionally meet at FVL during the fall, winter, spring and summer league baseball seasons. For Grand Chute families, the location would be Plamann Park throughout the summer season! Any other athletes and families can choose their location! Just text me!

Q: How much does it cost?

There are few options as far as mounting. For a 16' x 24' with a double weight matboard (which is stronger and more durable than just the photo paper, it would be \$60. For a foam core board which is the most popular option for sports posters, it would be \$75. I can make a larger one if you would like.

Q: How can I order one?

Just message me! We can start the process right away. The sign up is quick and easy!

Sports Poster Order Form

Athletes Name (just as you would want it on the poster):

School Name

School Mascot

Sport

Any specific photos you would like (please describe which ones or add them to your favorites on your account and share the favorites with me.

Options and Cost
